

Submitter: Anna Poling  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB3206

I oppose this bill.

Why? Students can create mock elections to understand their civic duties, that would be a fantastic use of public funds.

However, at this age and in this environment the peer pressure is too strong and the possibility of feeling based voting too high.

Don't give teenagers power they are not ready to wield.
