

Submitter: Cathy Sampson Kruse

On Behalf Of: Seven Generations

Committee: House Committee On Climate, Energy, and Environment

Measure: HB2215

I was present to testify on Feb. 12. No Public comment was allowed. Meeting adjourned at 4:40pm. I returned for the rescheduled hearing on Feb. 20 and patiently waited my turn have my Tribal voice heard. To be present and witness the elected leaders. I tried to tell a 224 year old story in two minutes, and I am not a 'fast talker". I gave my written testimony and included the 3 page Resolution by the Affiliated Tribes of the Northwest Indians, in opposition of any "new nuclear power plants in Oregon". It is still not documented in the olis.oregonlegislature system. I will call and try again.

Kwal'iism cha'na. we are still here. Old wey-ow'sux.
