

Submitter: Janice Dysinger

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SB585

Honorable Chair Kate Lieber, Vice Chair Tim Knopp, and Committee Members,  
I oppose SB585,

A Precinct Committee Person should be a qualified US Citizen. PERIOD! Other Americans must be a Registered Republican for the entire length 180 days prior to applying for the office. The application of the law should also apply for everyone. Those who do not qualify at that time can apply and be appointed when they have attained the right to do so.

Thank you for considering my testimony.

Best Regards,

Janice Dysinger
