

Submitter: Roberta Badger-Cain

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB610

I urge you to support SB610 so that no Oregonians in need of food are excluded. All people deserve life, liberty and the pursuit of happiness. Food is required for life. There are people who, through no fault of their own, do not have adequate resources to feed themselves and their families. It is up to those of us who have, to help provide for the have-nots so that we can share in the well-being of all. The greatest happiness is giving joy to others. (Eleanor Roosevelt).
