

Submitter: Albert Bregante

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

Lane sharing is dangerous? Shoot, driving is dangerous. Walking down the street is dangerous. Life is dangerous! You want zero traffic fatalities in the state of Oregon? Then ban cars, and trucks, and motorcycles. You know that's not realistic, so let's talk about practical, realistic ways to make motorcycling safer. Numerous studies, especially the Berkeley Study, show that lane sharing increases rider safety.
