Measure: SB422

I have been an Oregon motorcyclist for 37 years. I strongly support legalizing lane sharing in Oregon.

Having done a lot of driving and riding in California where lane sharing is legal, I am keenly aware of the benefits and low risk lane sharing represents.

The main opposition is likely car drivers not wanting to see motorcyclists "winning".

To that I reply, "If you can't beat 'em, join 'em. Get a motorcycle!" It's better for the environment and makes it safer for the rest of us riders.
