On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

As a motorcycle rider I feel it would be a benefit to all to pass this bill. It provides a greater measure of safety for riders and reduces traffic congestion for drivers. It's worked for a very long time in the majority of the world, I'm not sure why it was ever outlawed in the United States. Seems to work well for California as well.

Please pass this bill.
