Measure: SB422

Please support this bill allowing vehicles to share lanes. Police do not enforce traffic violations by drivers of vehicles with 4 or more wheels that can cause harm to motorcyclists. Please lift the penalties for motorcyclists trying to stay out of harms way. Many people are already using the technique in question and have avoided accidents. It may also help alleviate traffic when a motorcycle doesn't have to take up the space of an entire car while at a stop.
