

Submitter: Eric Wilberscheid

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB422

Trying to stay alive! Been hit twice and both times was hit and run! Wasn't speeding!
Just trying to get to work or home! Oregon has bicycle lanes keeping them safe on
Oregon roads! Motorcyclists need to have this legal to know at times this could save
our lives and we would not be breaking laws to try to stay alive!
