

Submitter: Taegan Orourke
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB422

I Taegan O'Rourke support passing the bill to allow lane splitting in oregon.

As our weather gets hotter and traffic gets worse as our population grows riding a motorcycle has a common problem of overheating when you are stuck in a wall of traffic. Overheating is easy for both the bike and the rider since both require wind to cool yourself with your large jacket, pants and a helmet and the motor of the bike.

In summary lane splitting is essential in riding a motorcycle while it is hot out that most bikers will all agree on. So please understand why we need to support this bill.

Thank you for your time,
Taegan O'Rourke.
