Measure: HB3183

SUBJECT: Support HB3183 to protect employees

MESSAGE: To the Business and Labor Committee:

Please accept this as a statement of support for House Bill 3183, protecting cannabis workers' labor rights. HB 3183 ensures that workers in the cannabis industry will be able to make their own informed decision as to whether to join a union, without undue influence.

We've recently seen examples of these employees being made to work in unsafe conditions while having to fight even to have their labor rights recognized. As we develop this industry, we need to ensure cannabis jobs are good jobs. Protecting workers' labor rights is the best way to do that!

This is a good bill and should pass.
