

Submitter: Russell Lum  
On Behalf Of: Mary-Ann Argoe  
Committee: House Committee On Behavioral Health and Health Care  
Measure: HB2697

I support HB 2697.

There are only 2 nurses and we hardly even get meals and breaks. It is really difficult and scary to only have 2 RNs with patients prone to seizure activity. —Mary-Ann Argoe, RN at Portland acute care hospital
