

Submitter: John Kim  
On Behalf Of:  
Committee: Senate Committee On Judiciary  
Measure: SB422

Hello,

As a motorcyclist of 10 years and bicycle rider of 20+ years, I am in support of the bill. If the bill is passed and the proper education is given to all riders and drivers, I believe the bill will help with traffic congestion, aid in safer motorcycling for riders and benefit drivers.

Thank you
