

Submitter: Linore Blackstone

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3159

I write in support of HB3159. If underfunded, the protection of our state's lands and waters and wild life is impossible. Your duty as legislators is to pass bills that you know will be funded. Surely you aren't paying just lip service.

We are going to have to step up our efforts to save the life on this earth. Isn't that abundantly clear? Act with urgency and integrity.
