

Submitter: Terry Ciecko

On Behalf
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and
Water

Measure: HB3159

We are witnessing vast reductions in wildlife and fisheries in Oregon. entities who over see or manage these resources are either understaffed or underfunded. We are losing Oregon's heritage and valuable wildlife due to loss of habitat and over fishing and hunting not to mention unchecked disruption of habitat and climate change. If this program will bring badly needed dollars and staff to protect Oregon's natural resources, I say bring it on without hesitation!!
