

I OPPOSE [HB 2726]...

The Text of [HB 2726] states,

"... (a) The Early Childhood Support Fund, containing \$10,000,000, which will provide moneys to community action agencies in Jackson and Josephine Counties to provide financial support to low-income pregnant individuals and families with children up to six years of age for rent and other housing assistance, basic necessities such as food, clothing and diapers, educational opportunities for parents and other needs...

...(b) The Child Care Workforce Fund, containing \$15,000,000, from which Southern Oregon Early Learning Services will provide grants to providers of early learning services to assist with the development and renovation of child care facilities and other capacity needs and to pay living wage salaries and provide health care coverage to child care providers."

***[HB 2726] wants \$25,000,000 for their Welfare Program.

*** [SB 603] wants \$500,250,000 for their Welfare Program

***The Oregon State Welfare Industrial Complex must come to an end.

David S. Wall

Mr. Oregon Concurr..."So far \$500,250,000 is being flushed down the toilet."
