

Submitter: Walter Bruhn

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB776

Absolutely vote NO on this proposed bill. We are not in agreement with the Marxist movement across our beautiful country. The 1700's are a long time ago. Many generations later, since the founding of our country, we should operate under the principals of Truth not division and agenda's.
