

Submitter: Hannah Wells

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB3159

Oregon's fish and wildlife are crucial for the health and wellbeing of the state and the ecosystems they are part of. We need a proactive approach to help at-risk species and mitigate the effects of habitat loss, climate change, invasive species, and other harmful impacts, so I fully support HB 3159 - Recovering Oregon's Wildlife Fund!
