On Behalf Of:

Committee: Senate Committee On Education

Measure: SB421

I support this bill as a member of the Our Future Organization and one of the Our Future Regional Leaders for Cleveland High School. I support this bill because I believe marginalized youth deserve the opportunity to be leaders and have their voices heard. With leadership opportunities open to these youths, diverse voices and perspectives will be heard. Youth voices are extremely important because we are inheriting this world and we are ambitious enough to create real change.

Thank You
