

Submitter: Rose Kaler

On Behalf
Of:

Committee: Senate Committee On Veterans, Emergency Management, Federal
and World Affairs

Measure: SB776

SB 776

I strongly oppose this bill. Oregon was not a slave state. I had family members on both sides fight for the end of slavery in the Civil War.

Lets focus on our children and getting Oregon's future a good education. Oregon's education level is rated 48 / 50 states.
