

Submitter: Wanda Wilson

On Behalf Of:

Committee: Joint Committee On Transportation

Measure: SB445

I live on Pleasant Valley Road and have seen several accidents from people trying to pull out on Hwy 20. Twice I have nearly been hit by someone with no blinker deciding to turn off Hwy 20 to Pleasant Valley. I have seen so many near misses, I can't even count. Please put in a light before someone is killed. Thank you.
