On Behalf Of: Myself DSP

Committee: Joint Committee On Ways and Means Subcommittee On Human Services

Measure: HB5026

Please support the work and help us continue to support the most vulnerable folks in our community

Disabled folks need support we are so short handed it's neglectful so many staff have left for better pay. This is important skill work for people that need it. We have lost folks. Locations and Hope that we will be heard

Raise the wage please help us

Support HB 2457.

Rent is so high we need help just for the basics
