

Submitter: Leon Rosales
On Behalf Of:
Committee: Senate Committee On Judiciary
Measure: SB422

I am originally from California. And I know how much safer it is to be able to split lanes when applicable. It truly keeps us riders safer. I've been riding in Oregon for the last 20 years and have always wanted the law to allow us to split lanes, or share lanes. Please make it so. Our lives depend on it.
