

Submitter: Sheila Dooley

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB2984

Please support HB 2984. It would go a long ways towards helping to solve the housing crisis in Oregon. In The Dalles there are quite a few empty two-story buildings downtown. Many of these buildings historically had apartments on the second level. Converting these buildings to housing would return them to their original use.

Thank you.
