

Submitter: David Wall
On Behalf Of: Mr Oregon Opposes SB 911
Committee: Senate Committee On Rules
Measure: SB911

I OPPOSE [SB 911]....[SB 911] incorporates and codifies "Systemic Racism" into Oregon Law.

"Creates Commission for Original Peoples from South America, Central America and Mexico."

Anyone...strike that.. everyone who shows up to the United States of America better be here "Legally" and fully understand "Equity" is not "Equality"

"Equality" is the law of the land whereas "Equity" is a "woke philosophy" steeped in communistic terms and traditions.

Oregon needs another Commission like it needs a hole in its' head. The Commissions on: [Black, Hispanic, Indian Service, Asian and Pacific Islanders Affairs] should be shuttered. There is not a Commission on European Affairs but, it there was, shutter that one too.

The Racial Justice Council and the Environmental Justice Council should be eliminated.

The sooner "Original Peoples from South America, Central America and Mexico" become fluent in English and fully understand our laws and Constitution of the United States of America and the Constitution of Oregon, the faster they will be assimilated into these United States of America. Failure to grasp these simple but powerful concepts will only expediate their deportations.
