

Submitter: David Wall
On Behalf Of: Mr Oregon Supports HB 2159
Committee: Senate Committee On Rules
Measure: HB2159

I AM NEUTRAL ON [HB 2159].

A few comments:

The "...supplemental reporting requirements required to be filed by State Treasurer..." are appreciated with special accolades to specifics.

At the time and date of this writing, I do not have an "Organization Chart" as to the employees listed.

I think the "Chief Audit Executive" could use more "Auditors" for a greater span of control in "real time."

There is 'No' mention as to: service descriptors and the number of Attorneys.

Oregonians should sleep well knowing at least, "The Office of the State Treasurer" never tires and is ever watchful over our taxpayer dollars.

Mr. Oregon Concurr and says, "Senator Campos should go to State Treasurer School before issuing another [SB 603 (2023)] tragedy."
