

Submitter: Michael McCauley

On Behalf Of:

Committee: Joint Committee On Semiconductors

Measure: SB4

I ask the Committee to remove Wilsonville from Section 10 of SB 4! Protect the foundation farmland of French Prairie and I SAY NO to the Clackamas County Commissioners and the land speculators that support them! As a farmer it's hard enough to farm without eroding our most important resource prime farm land.

Regards

Michael D. McCauley
