

Submitter: Nancy Davis

On Behalf Of:

Committee: Joint Committee On Semiconductors

Measure: SB4

OPPOSE any chip factories or industrial uses on lands near French Prairie.
PRESERVE the designated RURAL or AGRICULTURAL use of the lands near French Prairie.

This is just bad faith on the part of legislators and other representatives.

Major impact on the environment.

Major impact on traffic (especially with the proposed huge warehouses just south in Woodburn).

MAJOR impact on quality of life.

STOP selling out citizens for dollar signs.
