On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

I strongly suggest SB 85. I am concerned about the health and environmental impacts of industrial animal farming, and opposed to the cruelty they inflict on animals.

Even though I don't live in the area, I have belonged to a CSA of La Terra Vita, a family farm in Scio Oregon for many years and I rely on them for my produce. I'm also a parent, a family physician and a public health professional. I urge you to pass SB 85.

Thank you,
