

Submitter: Shauna McKain-Storey

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3151

Please pass this bill! Supporting the building of more manufactured homes, and reducing hindrances to projects involving these dwellings to address homelessness across Oregon, is sorely needed. Provisions within the bill to protect tenants from rising costs will also help efforts to increase the availability of low-income housing. We have a housing crisis in Oregon, and we need to take common sense actions like this to solve it
