Committee: Joint Committee On Semiconductors

Measure: SB4

We can do better than this. I think we need to get the Port to actually be proactive about get the existing acres of industrial land ready rather than suddenly jumping up and down to garner some of the Federal dollars. I cant blame Kieth Leavitt for trying to go the easy route and open up swaths of new land that might be easier to sell to the Feds but its not the best way. Lets do the right thing here and think longer term!
