

Submitter: Kevin Westfall

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB85

Please oppose SB 85. This is a bad bill that will make it impossible for farmers to stay in business. Agriculture is a growth business and operators need to be able to continually grow to keep up with the demands of the industry. The CAFO program is already heavily regulated by ODA. This bill will force operators out of business and make Oregon more reliant on trucking in products from other states. Oppose SB 85.
