

Submitter: Regina Purtzer  
On Behalf Of: Save Oregon  
Committee: Senate Committee On Education  
Measure: SB854

Public School curriculum should be limited to Reading, Writing and Arithmetic!!!!  
Period!!

Do Not use our public schools to promote and indoctrinate your political agendas  
onto our children!!!!!!!!!!!!!!!!!!!!

Keep climate control out of our schools!

We want our tax dollars to follow our students with School Choice!!! That way if you  
want to indoctrinate your children with lies, you can.
