Total Applications from November pull	30	\$86,883,895

A portion of these proposals were resubmittals that did not meet the threshold in earlier pulls; OHA provided support and consultation to submitters.

November 2022:

- \$27M remaining funds available
- **\$87M requested**
- Review of November applications should be completed by January 31, 2023

HB 5202 (2022)

- \$100M
- One-time funding for Community Mental Health Programs (CMHPs) for supported housing and residential treatment
 - Funding was allocated to counties according to their funding formula
- Broad discretion for CMHPs on how to use funds
 - Examples: Repurpose or build new facilities; plan or purchase land for new facilities; support services; short term shelter beds; long term rental assistance; immediate needs for houseless individuals (food, clothing)
 - Light administrative reporting requirements
 - First report with details on county projects and total number of beds due by end of 2022

How do CMHPs Plan to Use the \$100M?

- Based on initial project options outlined in CMHP proposals, it is estimated these funds will support the following:

Service Facility Type	People Served
Emergency or Temporary Shelter	93+
Supportive Housing (transitional and permanent)	498
Adult Foster Homes	10
Residential Treatment Homes (RTH)	16
Residential Treatment Facilities (RTF)	16
Secure Residential Treatment Facilities (SRTF)	29
Substance Use Disorder (SUD) Units	44

- Projects are subject to change as CMHPs identify viable properties
