

Submitter: Todd Vaughn

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB3256

My name is Todd Vaughn and I live in Tiller, OR.

I oppose HB3256 because, as I understand it, it limits the ability of a parent attend freely to a child who has been placed in another home for reasons that were outside of the parent's control. If the child is already dealing with a disability, why would we want to limit the parent's right to support the child in any way that the parent deems appropriate. The State should not have greater control over the child than the parent unless proven abuse has taken place.
