

Submitter: Erika Patton  
On Behalf Of: The Pendleton Round-Up  
Committee: Senate Committee On Labor and Business  
Measure: SB1038

The Pendleton Round-Up is in full support of this bill. Pendleton Round-Up is the largest outdoor rodeo in Oregon with a small rural community that depends on its success, due to the economic impact it has on the Community. Funds provided through this Bill would allow Pendleton Round-Up to continue to improve our campus facilities. This would provide a better experience for Oregonians visiting the Pendleton Round-Up.
