

Submitter: Lori Silverman

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB2869

There are plenty of states that have a Multi-sector plan for aging. I don't want Oregon to fall behind. All of us are aging, let's make sure our state is ready for the dramatic increase of older adults.

I support HB 2869-2.

Sincerely,

Lori Silverman

Portland, OR 97239
