

Submitter: Madeline Turnock

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB2869

I am writing in support of HB 2869. Oregon needs to plan and prepare with great care as its population ages. I have volunteered and support nonprofit AGE+ which is an incredible local resource for research and best practices. Thank you for your public service and advancing HB 2869.

Sincerely,

Madeline Turnock

Portland, Oregon resident
