

Submitter: Gary Haga

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB451

Coos county is one of the poorest in oregon. Our fair grounds is the meeting place for its residents to socialize. Our buildings are old and in need of repair,we lost part of the roof on our 4h horse barn this winter. Our oaks building is sinking in one corner and needs to be jacked up if we are going to continue to rent it out .We would really like to cover our arena so that we could use it in the winter months. A place for our 4h kids to practice there skills. Please pass this bill we could really use some extra funds. Thanks Gary Haga
