

Submitter: Tim Nelson

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB3240

I do not support this...the rampid fraud is out of control...I think the cards need to be chipped like debit cards,this will allow people not to feel less than others; also if you loose it oh well no different than debit and credit cards when you loose them you just gonna have to wait .Wich will also slow the process of selling them or giving it to someone to use them report stolen and say I didn't use it..be more responsible,but that is a separate issue..also illegals should not qualify, and definitely prosecute prosecute prosecute
