

Submitter: Ryan Loiselle

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2455

My name is Ryan Loiselle and I am a Licensed Professional Counselor and Founder of In Context, LLC. I am writing to ask you to pass HB2455.

I'm writing due to ask that you please take seriously, providers' need for improved rights and protections in the face of wildly non-transparent and punitive actions on behalf of carriers seeking to recoup funds from those of us doing the hard work of helping with mental health maintenance of community members during this difficult time. Counselors deserve to know what is expected in audits so they can know how to document to pass them. As a professional, I strive for accuracy, transparency, and clarity in record keeping. Insurance companies should be held to a similar standard, and limits should be placed on audits so that providers do not have to live in fear by simply taking insurance. Passing this bill will increase access to care in our state. Thank you.
