

Submitter: Laura Placek, LPCC

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2455

I am writing to ask you to pass HB2455.

Please end the abusive practice of insurance companies using audits as an income stream. Therapists and counselors deserve to know what is expected in audits so they can know how to document to pass them. Limits should be placed on audits so that providers do not have to live in fear by simply taking insurance. Passing this bill will increase access to care in our state. Thank you.
