

Submitter: Michael Sears
On Behalf Of: Self
Committee: Senate Committee On Natural Resources
Measure: SB85
Greetings:

Oppose this measure!

I live in Tillamook County and have lived around dairies and have known many dairy families and experienced the level of care and knowledge required to take care of their animals. This bill is a pre-mature measure to the possible outcome of a study and has no place in the Legislature. I trust the herd managers to take manage their own stock and do not trust those to want to increase regulations.

Respectfully,

Mike Sears
