

Submitter: Amanda Antenucci

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB2455

My name is Amanda Antenucci and I am a LCSW in Portland, Oregon. I am writing to ask you to pass HB2455.

Please end the abusive practice of insurance companies using audits as an income stream. Counselors deserve to know what is expected in audits so they can know how to document to pass them. As a professional, I strive for accuracy, transparency, and clarity in record keeping. Insurance companies should be held to a similar standard, and limits should be placed on audits so that providers do not have to live in fear by simply taking insurance. With the current behavioral health shortage, it is easy to sustain a practice using private pay clients. Accepting insurance increases access to care. Passing this bill will increase access to care in our state. Thank you.
