

Submitter: Dan Miner  
On Behalf Of: Hollywood Beverage  
Committee: Senate Committee On Judiciary  
Measure: SB318

Please support SB 318 to provide our Law Enforcement agencies the necessary tools to combat Organized Retail Crime in Oregon. Retailers across the state, and in particular the Portland Metro area, suffer significant business loss from shoplifters and organized theft groups. Losses are so great at my business that it affects my ability to provide competitive wages and benefits, and is a serious source of workplace stress for my employees. I urge you to take action to provide the resources and funding to improve the quality of life in our state.
