

Submitter: Lisa Lamping  
On Behalf Of:  
Committee: Senate Committee On Education  
Measure: SB854

PLEASE STOP WITH INDOCTRINATION OF OUR CHILDREN...FOCUS ON READING WRITING AND ARITHMETIC...AMERICANS HAVE BEEN INCREDIBLY GOOD AT PROBLEM SOLVING ...LOOK AT THE LONG TERM EXPERIENCE OF OUR COUNTRY. OVER THE MANY YEARS THEY HAVE FOUND SOLUTIONS TO ADDRESS THINGS THAT THREATENED US...TEACH THEM REASONING SKILLS...PROBLEM SOLVING SKILLS..INVESTGATIVE SKILLS..SCIENCE..NOT YOUR OPINION NOT POLITICAL VIEWPOINTS...WE ARE TIRED OF WHAT YOU ARE DOING AND YOU ARE ONLY MAKING PEOPLE MORE RESISTANT TO YOUR LEADERSHIP.

YOU CONTINUE TO ALIENATE A LARGE PORTION OF US...MANY WHO DO NOT PUBLICLY SPEAK UP BECAUSE THEY BELEIVE YOU HAVE AN AGENDA AND DON'T CARE TO LISTEN...THERE IS LITTLE TO NO TRUST IN OUR GOVERNMENT....I CANNOT IMAGINE YOU ENJOY GOING TO WORK EVERYDAY KNOWING HALF THE STATE THINKS YOU ARE DECIETFUL AND ONLY DOING THIS CLIMATE CHANGE IN ORDER TO MARCH TO THE PROPAGANDA ORDERS FROM WASHINGTON DC PROGRESSIVE. YOU ARE SUPPOSED TO REPRESENT ALL THE PEOPLE...WHEN WILL THAT EVER HAPPEN. I VOTE NO ON THIS SENATE BILL !
