

Submitter: Craig Opperman

On Behalf  
Of:

Committee: Joint Committee On Ways and Means Subcommittee On Public  
Safety

Measure: SB5541

Please note edit to my submitted testimony. In my reference to Doug Riggs testimony, i am asking support for POP 107, not 10 as incorrectly stated in my testimony memo.

Sorry for this mistake.

Thank you for noting the correction, and all your work!
