Re: HB 2555, Vote YES to Support Naturopathic Doctors (NDs)

Dear House Health Care Committee,

My name is Karen Erde, MD. I am a retired board certified family physician. I would like to share my experience working in Oregon with licensed Naturopathic Doctors and ask you to please support HB 2555.

I have had the opportunity to work closely with Naturopathic Doctors as a college and patient. I appreciate the unique and valuable skill set and approach to care that they offer. I have found NDs to be professional, knowledgeable, competent, and clinically well-trained.

Unfortunately, NDs are not being fairly compensated for their valuable contributions to healthcare in Oregon. This makes it difficult for NDs to stay in network with insurance companies, and even to remain in practice for their patients. Moreover it makes it untenable for most clinics and hospitals to hire NDs as employees, and during a time of healthcare provider shortages. NDs should be compensated fairly for the care they are able to deliver to the people of Oregon.

I am asking you to vote yes on HB 2555 and support fair pay for Naturopathic Doctors.

Sincerely yours,

Karen Erde, MD
