Committee: House Committee On Rules  
Measure: HB2004

I strongly oppose ranked choice voting in Oregon. My reasons are as follow: Ranked choice voting leads to minority rule of a sort, results in tactical gimmicks to win an election, and destroys clear, informed candidate choices. It also takes advantage of the disunity of one party to benefit the other. Alaska's recent congressional election is a good example: over 60% voted Republican, but because of ranked choice voting, a Democrat ended up winning.
