

Submitter: Larry Reeves
On Behalf Of: Winston
Committee: House Committee On Rules
Measure: HB2004

I oppose Rank Choice Voting

I oppose HB2004

This voting mechanism distorts the will of the people and is not appropriate.

Rank Choice Voting is a lazy man's way of saving money and manipulating the vote.

We the people must have direct control, not ranked control, over who gets elected even if it takes multiple elections to get there.

Oppose HB2004
